

Navajo Technical University

Name: _____ ID#: _____

Associate of Applied Science – Construction Technology (66 Credits)

The Associate of Applied Science Degree in Construction Technology also focuses on three fundamental principles: Creative Problem Solving/Spirit of Innovation, Collaboration and a Rich Learning Experience.

Semester ONE		Credits	Prerequisites	Semester/ Transfer	Grade
CT 100	Construction I	2			
CT 103	Introductory Craft Skills	3			
ENGL1110	Composition I	3	ENGL098 or satisfactory placement scores		
MATH1220	College Algebra	4	MATH 1215		
BCIS 1115	Introduction to Computers	3			
SSC100	College Success	1			
Semester TWO					
CT 102	Construction to Math & Drafting	3			
CT 104	Concrete and Masonry Construction	2			
CT 110	Construction II	2	CT 100		
CT 115	Introduction to Construction Management	3			
CT 210	Construction Site Safety Management (OSHA10)	3			
NAVA XXX	Dine Studies Course (Humanities)	3			
Summer Session					
CT 204	Summer Internship	3			
Semester THREE					
CT 208	Materials and Methods of Construction	3			
CT 203	Construction Surveying	3			
CT 205	Building Environmental Systems II	3	CT 121		
CT 206	Sustainable Construction	3			
CT 216	Advance Construction Math and Drawing	3	CT 102		
SCI XXX	Natural/Physical Science	4			
Semester FOUR					
CT 200	Construction Codes and Specifications	3			
CT 201	Construction Cost Estimating	3			
CT 202	Advance Construction Project Management	3			
CT 206	Sustainable Construction	3
