## Wellness Center Snack Bar Re-entry Plan

***As of this date the Wellness Center snack bar will not be opened until such time as the Governor and the CDC lift the restrictions.***

### **I. Requirements:**

1. All students, faculty, staff and outside customers must wear a facemask upon entering the Wellness Center Facility.
2. All who order from the window must sign in at the cashiers' desk upon payment.
3. All items are "to-go" until further notice of the Governor's Office to allow indoor dining.
4. Children are allowed and must be masked and under guardian's supervision at all times.
5. Snack Bar employees will take customers' temperatures prior to ordering.
6. All CDC guidelines shall be maintained. Ordering window path is marked for 6' distance to maintain social distancing. Only one customer at a time is allowed to approach the order window to order

### **II. Food Service Staff Responsibilities:**

1. Monitor & maintain hand sanitizer stations to ensure filled to capacity at all times. Hand sanitizer stations are located at the front cafeteria doors.
2. Wipe down snack bar line on a regular basis during the hours of operations.
3. When indoor seating is allowed, all tables and chairs will be wiped down at the conclusion of the meal. Signs, "*This chair & table section needs to be sanitized*", will be issued to customers to leave on the tables, indicating areas to be sanitized.
4. While serving, gloves and masks will be used at all times.
5. Handwashing between glove uses is mandatory.
6. Snack Bar employees will have their temperature checked when they clock in and when they clock out

### **III. Security:**

1. Will continue to do a walk-through of the Wellness Center.
2. Will assist in removing unruly or non-compliant students from Wellness Center.

### **IV. Snack Bar Hours:**

1. Monday through Friday:  
8:00 am to 7:00 pm
2. Weekends & Holidays:  
11:00 am to 5:00 pm
3. During approved University events
